Tickets for 1 zł, free admission on Saturdays

mysterious nature

PARK ON KAMIENNA GÓRA

The XIX century park is located on a volcanic prominence (274 metres above sea level). You can find there a lot of nature monuments and a place called 'kettle', which is a former basalt quarry. Some people say that it is a magical place. Free admission.

friendly atmosphere

It is an advantage that Lubań is not a big city. You can reach everywhere just by going on foot! We highly recommend that you go on a walk around the old part of the town. There are a lot of shops and a market with fresh local goods for you to enjoy.

*If you need a helping hand you can always visit us at the Tourist Information Point. Please remember that it is necessary to inform us beforehand whether you need an English speaking guide! Contact us on promocja@luban.pl and make an appointment! **See you in Lubań!***
